

Leanne Crockett

Leanne Crockett was born in Manchester, CT. She began her love for basketball at an early age. She began playing organized basketball for the town of Manchester before joining AAU. Leanne played AAU basketball for the CT Spirit for 4 years, where she led her team to a Junior National Championship. Leanne had a stellar high school career becoming the all-time leading 3 point shooter and winning 2 State Championships with Manchester High School. Additionally, Leanne's basketball career at Manchester High included becoming a 3 time All-State candidate and a member of the 1,000 point club. After being recruited by the University of Maryland Baltimore County, Leanne transferred, and completed her college basketball career with Central Connecticut State University; graduating in the spring of 2011.

Leanne returned to the CT Spirit in 2011 to offer her knowledge of the game and help young girls reach their full potential. Most of her fondest memories come from her AAU experience; especially from the overnight tournaments. Her coaching knowledge continues to grow as she has coached at various basketball camps and became the freshman coach for Sport and Medical Sciences Academy. Leanne's goal is to have her players enjoy a "real and competitive" AAU experience.
